Saturday night bridge is this coming Saturday. No partner required.

The Christchurch Open B Pairs will be held on Sunday 19th October.

The New Zealand Wide pairs will be held here on Friday 7th November.

Car Park

A reminder to take care if you are parking on the road in Nova Place, please enter the premises if you are on foot via the side gate entrance closest to the building. The road is quite uneven and members could have a fall. Also, if you are parking in the front car park by the clubrooms near the front entrance way, please could only small cars park there as larger cars are blocking the entrance.

Nametags

We will be sending another nametag order in very shortly. Last one before Christmas. It always takes a while to receive these, so if you would like one get your order in today with payment. Forms are on the membership table.

Read only your grade notices:
